Professional Biography

Mario Facusse was born in Tegucigalpa, Honduras. He attended the Culver Military Academy in Indiana and studied civil engineering at Florida Institute of Technology and UNITEC in Honduras. He conducted initial research into alternative cooling systems for use in computers while still a student. In 2007 Mario founded Xyber Technologies to market and sell his flagship Xyber MK Series of custom high end silent desktop PCs for business, high end gaming, home/office and home theater systems featuring his fan-less passive heat dissipation cooling system. Mario is currently Senior Partner and CEO of Xyber Technologies, LLC in Miami, Florida.
